BOOK DRIVE

Supporting the 2015
Heart of Florida United Way

The United Way's community-wide volunteer event, Day of Action, is focused on addressing summer reading loss. By providing low-income students access to reading activities and books, the United Way encourages reading and enhances literacy over the summer months.

But they need everyone's help!

New and gently used children's books (K-12) will be accepted through May 26th.
